

THE FLORIDA BANDMASTER  
(Bulletin of the Florida Bandmasters' Association, Inc.)

42nd Year, No. 5

Pahokee, Florida

Dec. 30, 1977

Enclosed is a Classification List of School Bands in Florida, that have sent in their blanks. All schools have not been heard from yet. These forms MUST be on file in the State Secretary's office before a band is eligible to compete in the District and State Contests. These will be checked on this year. Look and see if your school is listed. If not, get busy and send your Classification Blank in immediately, or check with your District Chairman.

Enclosed you will also find the Minutes of the F.B.A. Executive Board Meeting of December 9 and 10, 1977. Please read them carefully and thoroughly, so that you can come to the F.B.A. Clinic General Business Meeting on Thursday night, very well informed as to what is transpiring in F.B.A., and be able to vote intelligently on matters of utmost importance to you, your students, and the Band Program in the State of Florida. Be sure to read the Proposed Revised F.B.A. Constitution completely - so you can vote on that. It is Appendix "D" at the end of the minutes.

If you have purchased the new 1977 Edition of the F.B.A. Official Music List, you will receive in the mail, hopefully, before the January Clinic, the New Annual 1977-78 Supplement for Band, free of charge. The Supplement for '77-'78 Solos and Ensembles seemed to have developed into a greater project and supplemental list than could be gotten ready by Clinic. That will be published some time in the future. In order to receive the 1977-78 Supplement, you must have purchased the new 1977 Revised Edition. The Edition is \$12.00 to F.B.A. members and \$15.00 to non-F.B.A. members, payable in advance, and is purchased from your State Executive Secretary, Robert Lampi, Box 666, Pahokee, Florida 33476.

REMEMBER ---- the dates of the F.B.A. Clinic are January 5, 6, & 7, 1977 - - - the place is Orlando - - - The Howard Johnson's Motor Lodge is the F.B.A. Headquarters - just off I - 4, and south of the Florida Turnpike I - 4 Exit. Both the December and January issues of the Music Director have a complete Clinic schedule in the center fold. Check the F.B.A. schedule for details regarding Clinics, Rehearsals, Meetings, times and places. Make your reservations as soon as possible. Have all your students bring Music Stands. The percussion personnel must bring their own equipment or make some arrangements for the "big stuff". The Senior High Symphonic Band members and the Junior High Concert Band members need to have their uniforms, but no hats. Hope you pre-registered for the Clinic - it will save you much time in the registration line. Badges must be worn to all Clinic Events and the Exhibit Area. Admission to these is by CLINIC BADGE ONLY.

A HAPPY & PROSPEROUS NEW YEAR TO YOU

from

YOUR STATE OFFICERS AND EXECUTIVE BOARD

(Note from Executive Secretary's secretary - Mr. Lampi is in room 191 of the Good Samaritan Hospital in West Palm Beach. He was entered on Dec. 28th. He is much better now. With the help of God and good care from hospital staff and Doctor Vance, we hope he will be able to return home over the week-end and be able to attend the Clinic, for the Business meeting if nothing else. We covet your prayers at this time.)

FOLLOWING YOU WILL FIND THE OFFICIAL CLASSIFICATION LIST FOR THE 1978 CONTESTS. NO BAND IS ELIGIBLE FOR EITHER DISTRICT OR STATE CONTESTS UNTIL THE BANDMASTER HAS FILED A CLASSIFICATION BLANK WITH THE F.B.A. EXECUTIVE SECRETARY.

## NEW PROPOSALS from the Districts.

New Proposals that were tabled and referred back to the Districts for Discussion and Poll.

#1. Kroeze made a motion, seconded by Herron, giving the following All-State Audition Proposal: -

### ALL STATE AUDITION PROPOSAL

Establish fourteen (14) District Bands, four (4) Regional Bands, and one (1) All-State Band divided into Concert and Reading. Bands would be seated by live auditions using published materials.

Best ranked players from District would become members of the Regional Band; best ranked players from Region, the All-State Bands. Rankings for All-State would be held on Thursday prior to the Clinic. The entire packet of All-State Selections would be made available at the conclusion of the Regional Band Auditions to all persons who advance to State and would be the basis for All-State rankings.

All-District Auditions would be held by the end of the first week in December. Regional Bands would meet the second week in December, therefore all All-State band members would have their music by the end of the second week in December so they could practice for the final rankings.

Examples:

Trumpets:

16 trumpets would be selected for All-District Band. The best four (4) would advance to Region and be seated with the other twelve (12) from the other Districts. After the seating, eight (8) of the players would advance to State along with the eight (8) from each of the other three (3) Regions for a total of thirty-two (32) All-State trumpets.

Oboes, Bassoons:

4 Oboes and 4 Bassoons would be selected for All-District Band. The best Oboe and the best Bassoon would advance to Regional Band and be seated with the players from the other Districts. After ranking the Regional Players, the best two Oboes, and the best two Bassoons would advance to All-State along with the two Oboes and two Bassoons from each of the other three regions for a total of eight (8) All-State players on each instrument.

For the purposes of this Audition only, it is strongly recommended that the present fourteen (14) Districts be slightly rearranged so that there are only twelve (12) All-State Districts. This rearrangement would not affect any other aspect of the FBA.

Report from FHSAA Board Meeting -- October 3,4, 1977

1. Raising Adjudicators Honorariums-  
The Music Committee directed Floyd Lay to obtain a schedule of honorariums being paid in other southern states so that it can recommend to the FHSAA a comparable schedule for Florida.
2. Component Budgets  
All component budgets passed the Committee and the Board as recommended.

However, the Committee would like to have a more comprehensive budget from the FOA and have it submitted on time.

Nov. 29, 1977

Robert O. Lampi  
P.O. Box 666  
Pahokee, Fl, 334

Dear Bob:

Re: FBA ARCHIVES

Before rendering a mundane report on the records entrusted to him, your archivist wants to clear up a common misconception: The word "archive" is derived not from the Greek archaios, meaning primitive, ancient, or passe, but from the Greek archeion, or government house, the place in which official documents are preserved, or the materials stored.

With that clarification, that certification that your records are a living entity and not just a dead file, your archivist reports that the materials are properly filed and catalogued on the fifth floor of the Research Library on this campus. Dr. Laura Monti, in charge of historical records, invites members of the FBA or anyone wishing to use the archives for research to visit the collection at any time.

Respectfully,

RICHARD W. BOWLES, Archivist

Motion by Young, seconded by Herron, to accept the report. Passed U.

F. Adjudicators Committee, Ed James, Chairman, reported earlier in the meeting.

G. All-State Band Selections Committee, Ed Parsons, Chairman sent no report. The Secretary distributed Bulletins with All-State Bands personnel listings that brought a hush over the room.

H. Past Presidents Council - Mel Baker, Chairman reported a dinner meeting scheduled for Thursday, at the January Clinic in the Red Coach Grill.

I. 1978 Summer Convention Committee - Jim Croft, Chairman sent the following report:

December 1, 1977

Robert Lampi  
FBA  
Box 666  
Pahokee, Fl 33475

Dear Bob:

This report is made all the easier due to a nice long chat I had with President-elect Herron. We discussed a variety of problems that appeared to be grist for the Summer Convention mill. The primary criteria were that whatever and whoever be practical, current, relevant and reasonable!! With those constraints I see no reason why we can't have another dynamite convention!!

We seemed to settle on three areas that would appear to need our collective and professional attention.

First, the ubiquitous (!) problem of contest ratings and the accompanying problem of regional consistency. This could be dealt with in any of a number of ways but should include marching and concert performances for sure and probably stage bands, sight reading and inspection.

Second, the responsibilities of the band director and conductor become increasingly complex as the literature we perform becomes ever more sophisticated. There are a number of outstanding conductors who could add much to this dimension of the convention and I would be happy to make that contact and those arrangements.

Third, supervision and administration of band programs is becoming an increasingly perplexing problem (ask any of our few remaining supervisors!) and does not provide a very rosy picture for the future. I would like to suggest that we contact a resource who, in my judgment, is one of the truly great supervisors of music in the nation. Ralph Houghton has guided the program at Kenosha, Wisconsin to a level of

pre-eminence nationally: outstanding performing groups in every area, a terrific elementary music program and an evening enrichment program that is uniquely productive. He is a dynamic speaker and catalytic personality. I personally think this could be a convention highlight long remembered. (He was also a very successful band director!)

Anything beyond these areas, for example, Bill Miller's committee suggestions, surely ought to be incorporated. I conceive my role as chairman of this convention as a facilitator and manager of those activities and interests the FBA wants to address. Let me know and I'll do my best.

Cordially,

James Croft, Chairman  
FBA Summer Convention

Jack Herron spoke on other phases of the Summer Convention. Negotiating for Willie Thomas as Stage Band Clinician. Need Middle School and Junior High School Clinics.

Smith made a motion, seconded by Kaminsky, that the report be accepted. Passed U.

J. 1978 Clinic Committee - Jeff Bradford, Chairman, reported Mini-Clinics lined up: - 1. Nilo Hovey, Clarinet; 2. Ed James, Adjudicators Clinic; 3. Tom Bishop, Beginning Band; 4. Bill Miller, Teaching the Band; 5. Gerald Welker, Saxophone Clinic; 6. Robert Lampi, Handbook Clinic. Junior High Concert includes Air Waves, American Folk Rhapsody No. 4, Coventry, Selections from "Rocky", Neapolitan Love Song, Declaration and Carraway's March.

Feinberg made a motion, seconded by Kaminsky, to accept Bradford's report. Passed U.

It was announced that Robert Reynolds from the University of Michigan will be the 1979 Senior High Concert Band Clinician.

K. Non-FBA Sponsored Contests Committee - Joe Courson, Chairman, sent the following report:

November 28, 1977

TO: Robert O. Lampi, Executive Secretary, Florida Bandmasters Assn.  
FROM: Joseph W. Courson, Chrmn., Non-FBA Sponsored Contest Committee  
SUBJECT: Report of Non-FBA Sponsored Contest Committee

Since assuming the chairmanship of this committee I have processed 26 requests for bands to enter Non-FBA sponsored contests. All have been approved.

I did not have records of last years marching festivals so I had to assume that the ratings given on the request forms were correct. Thus far, I have received marching festival results from only one district but I presume that the others will follow shortly. Please remind all district chairmen to send me copies of their district results.

I sent to Mr. Mel Baker a suggested revised request form and also some suggested revision in the regulations concerning the Non-FBA sponsored contests. I assume that he will consider them when his committee meets.

Also, along with this report I am sending you a copy of a letter sent to Bill Cannon concerning infractions by several bands that entered the Largo Golden Invitational this year. I'm sure he will present it to the board for whatever action they may wish to take.

Many of the schools are sending me only one copy of the request form and I have had to make quite a lot of photocopies. I respectfully request that I be allowed to purchase a ream of copy paper to replenish the paper that I have used.

Respectfully Submitted,  
Joseph W. Courson, Chrmn.  
Non-FBA Sponsored Contest Committee

As an aside at this juncture in the proceedings, some brilliant mind wanted to add an explanation to #2 from page 3 of the May Minutes - quote "Applies only to State Contest Entries. Student is listed and assessed each time he performs". This is found in these minutes on page BM-1, #2. Add it there, if you will.

Contest Fee Forms were discussed.

The Executive Secretary reported that the St. Petersburg 1974 State Contest financial problem had been finalized, consummated, paid off and otherwise cleared up, at least to perhaps the satisfaction of the City of St. Petersburg, if no one else. Letters were read from Lampi to the City of St. Petersburg, and from Ervin Hamme to the Mayor of the City of St. Petersburg. Fine!!!

Letters were then read regarding the Seminole High School Band suspension problem, by Kroeze, Baker and Lampi. A proposal sent to Mr. Lay from Mr. Kroeze was read, as

a possible solution to future similar situations. Much discussion ensued.

Varner made a motion, seconded by Herron, that the Board instruct the Handbook and Constitution Revision Committee to study and review our philosophy and present rules on policing our members concerning rules violations, concerning all areas, with a report to be given at the May, 1978 Board meeting. Passed U. (Secy. Note: - Any suggestions regarding the above motion should be sent to Mel Baker.)

President Bradford then reported from the FMEA Board meeting:

1. Send each student MRNC group one of our Bulletins (about 30) - defeated.
2. Evaluate the Mini Clinics
3. Compile names and addresses of retired members in State.
4. F.B.A. Executive Secretary send State Bulletins to Wallace Gause and other FMEA Board Members.
5. FMEA Board and all Component Boards meet in a combined meeting on May 19, 20, 1978.

Carmichael made a motion, seconded by Kaminsky, that we send the Bulletins to any student M.E.N.C. group who is willing to defray the cost as set by the Executive Secretary. Motion failed.

Hendon made a motion, seconded by Cannon, that F.B.A. provide Bulletins to the F.M.E.A. Executive Secretary and F.M.E.A. Board members. Amended by Baker, and seconded, that only F.B.A. Board meeting and General Session minutes be provided. Amendment passed and amended motion passed.

Baker made a motion, seconded by Carmichael that FBA is in favor of accepting the proposal of a combined meeting with FMEA Board and Component groups. Passed.

President Bradford appointed the following Nominating Committee for this year: Don Varner, Ernest White, R.T. Kirk, Phil Wharton, Mel Baker, Jack Herron, Duane Hendon and Jeff Bradford.

The Secretary then read a check list for District Chairmen to use in getting organized for the District Contests in the Spring, and other trivia that could prove to be very helpful in overcoming simple problems.

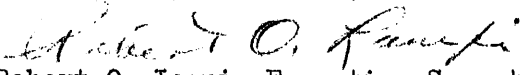

Herron made a motion, seconded by Hendon, that the sum of \$50.00 be sent as a Memorial to the Rosie Yoder Fund at Troy State University in Troy, Alabama. Passed U.

Herron then distributed copies of the Revised FBA Constitution which appear at the end of these minutes as Appendix "D", eight pages in length. The Board perused them all too quickly - but they are included here so the membership can have the opportunity to study the Revision carefully before coming to Clinic, and thus be better able to vote intelligently on any or all items in the Revised FBA Constitution. Please read it over carefully before you come to the Clinic General Business Meeting.

Curry made a motion, seconded by Kaminsky, and several others, that Honorary Membership in F.B.A., be granted to Mrs. Ilimae Lampi, for her years of service and devotion to F.B.A. and especially as a helpmate to the Executive Secretary in F.B.A. work over the long years. Passed U with a resounding round of applause.

A motion to adjourn prevailed at 12:00 Noon, after having completed the agenda for the Board Meeting.

Respectfully submitted,

  
Robert O. Lampi, Executive Secretary  
Florida Bandmasters Association
