## HENRY FILLMORE

*Head Judge*

FLORIDA BAND AND  
ORCHESTRA CONTEST

It has been said that wherever men march to the music of bands; in street parades, in the armed forces, or on the gridirons of America—the martial music of Henry Fillmore, with its compelling rhythm and melodic flair, sets the standards for all to follow.

One of the most prolific contemporary composers of American band music, Henry Fillmore is recognized today throughout the nation as the contemporary "March King." And his fame does not rest solely upon the march form of composition; for Fillmore is also the father of the Trombone smear. His "Shoutin' Liza

Trombone," "Lassus Trombone," and the other fourteen members of the trombone family have many imitators but few equals.

The whole range of band literature is Mr. Fillmore's forte. His catalogue of more than three hundred numbers in active use today includes overtures, operatic selections, solos, novelty pieces, songs, and student training material.

One of the most phenomenal phases of Fillmore's composing activities is that of the vast amount of easy material he has written for young bands. Under the nom-de-plume of Harold Bennett, he has written a series of four "Bennett Band Books," copies of which may be found wherever there is a school band anywhere in the world. Actually more than a million Bennett Band Books have been purchased by aspiring band students.

Henry Fillmore is much in demand as a guest conductor for band concerts and for clinical work with all-state bands and similar groups. Recently he was a featured guest conductor with Paul Lavalle's "Band of America" over NBC. His recent guest appearances include the University of Michigan Band, the Texas All-State High School Clinic Band, the University of Miami Band, the University of Pittsburgh Band, the Goldman Band, the University of Miami Band (Fla.) and the Chattanooga All-City Band. His appearances as guest conductor of the massed bands at the annual Orange Bowl Game in Miami are a highlight of the New Year's festivities.

Henry Fillmore's activities as a band and solo contest adjudicator are nationally recognized. He has served as a contest judge in many states including Utah, Ohio, Indiana, Kentucky, Mississippi, Georgia and for many years has acted in the capacity of head judge for the Florida Band and Orchestra Contest. His comments on the judging sheets are to the point, kind, and hopeful and tend to spur the competitor on to greater achievement rather than create a feeling of failure.

Henry Fillmore's professional experience includes both playing (trombone) and conducting in circus, road shows, vaudeville, stage shows, musical comedy, park bands, and radio bands. As conductor of the "Fillmore Band," he reached the height of his career as a professional musician. With this group he toured North America for a number of years and played to audiences numbering thousands. Fillmore was a pioneer in radio. He served as a band conductor for over fifteen years on radio station WLW (Cincinnati) starting when radio was in its infancy in 1922.

Many will be surprised to know that Henry Fillmore is also Harold Bennett, Will Huff, Al Hayes and Harry Hartley, these being the several pen names under which he writes.

In 1942 Bachman, who had been an Army bandleader in World War I, returned to active duty. Among other assignments he was supervisor of Army musical activities in the South Pacific area and later Officer in Charge of the complete Special Services program during the operations at Bougainville and Okinawa. He was promoted to the rank of Lieutenant Colonel during the Okinawa campaign.

Bachman retired from active duty in the summer of 1948, to assume his present duties at the University of Florida. He has just completed a term as Chairman of the Southern Division of the College Band Directors National Association and is a Past President of the American Bandmasters Association.

**DALE C. HARRIS**

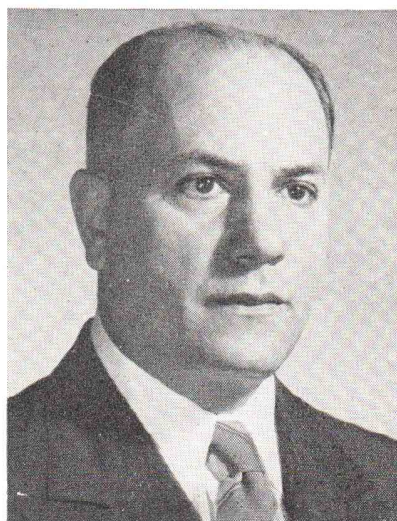

Mr. Harris' professional playing experience included concert tours with Conway's Band and Kryle's Band. He attended Simpson College in Iowa, receiving a Bachelor's Degree in Music Education and later continued his education at the University of Michigan where he received a Master's Degree in Music Education in 1937.

Mr. Harris was appointed Supervisor of Instrumental Music of the Public Schools of Pontiac, Michigan in 1927. Since that time the high standards of instruction in instrumental music on all levels of the educational program—elementary schools, junior high schools, and senior high school—have been substantiated by the record of the instrumental music groups over a long period of years.

In 1931 the Pontiac High School Band won its first state championship and is the only Class A high school band in Michigan to have received only First Division awards in state competition since 1931.

Mr. Harris is a member of several honorary organizations: The American Bandmasters' Association, The Bohemians Club of Detroit, Phi Delta Kappa Education Fraternity, Kappa Kappa Psi Band Fraternity, and Phi Mu Alpha Music Fraternity.

In addition to his duties in Pontiac, Mr. Harris has been one of the motivating forces in the school instrumental music program in Michigan, having been one of the organizers of the Southeastern Michigan School Band and Orchestra Association in 1933 and of the Michigan School Band and Orchestra Association in 1934. He is a past president of both organizations.

**DR. WILLIAM D. REVELLI**

For more than twenty-five years, the name of William D. Revelli has been synonymous with the bands of America. His vision and ideals are responsible for the degree of perfection that the University of Michigan Bands have attained. His insistence upon quality of performance and his constant search for new and better band music, have earned for him the reputation as one of the country's leading conductors.

In the five years preceding his appointment at the University of Michigan, Dr. Revelli achieved the now-classic feat of five consecutive National Championships with the high school band of Hobart, Indiana. This accomplishment and the ensuing successes of the Michigan bands exemplify the vision and ideals of Dr. Revelli. Under his guidance, the Wind Instrument Department of the University has grown from a faculty of one in 1935 to today's staff of thirteen. The Band Department itself has been enlarged from a band of ninety-six members to three bands with a combined membership exceeding two hundred and fifty.

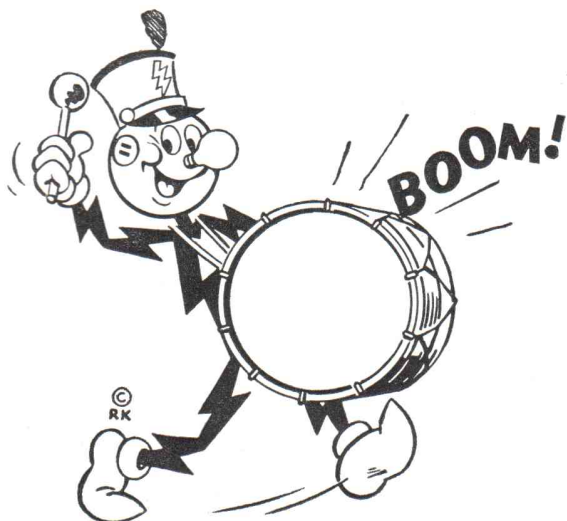

Recognized as one of the truly outstanding figures in the concert band world, Dr. Revelli has appeared as guest conductor in nearly every state in the nation. One of the top adjudicators in the field, Dr. Revelli's comments are always analytical, keen, and concise.

Dr. Revelli's uncompromising standards of musicianship, coupled with a boundless energy, have left their mark on all students who have been in contact with him, from the bright-eyed grammar school student to the most mature college musician.

Dr. Revelli's musical training reflects his driving determination and his high ideals. He has studied with such outstanding men of music as Leon Sametini, L. V. Saar, Charles Spadoni, Felix Borowski, H. A. Vandercook, and George Dasch. In 1915 he entered the Beethoven Music Conservatory, at St. Louis, and in 1919 continued his education at the Columbia Music School. He has also studied at the Chicago Musical College and at the Vandercook School of Music. In 1925 he was appointed music supervisor in the public schools in Hobart, Indiana, where he organized the instrumental department of that city, and developed it into national championship caliber within a few years.

Upon his appointment at the University of Michigan in 1935, Dr. Revelli saw the need of an organization of college band directors such as the organization with which he had worked in his career at Hobart. In 1941 he proceeded to organize the College Band Directors National Association, and was elected president of this group.

Mr. Yoder is a graduate of the University of North Dakota and of Northwestern University. He taught public school music in Aurora, Ill. and Evansville, Ind. before devoting his full time to writing. For the past 20 years he has arranged music for publishers in the school band field, including several books of football band shows, musical comedy selections, novelties, popular songs and original overtures.

Some of his best known numbers for band are: "Dry Bones", "Joshua", "Rumbalita", "Mountain Majesty", "Youth of America" and a recent arrangement, "Vincent Youmans Fantasy". Nearly every high school and college band library contains some of his arrangements or original compositions.

He is a member of the American Bandmasters Association and attended the recent convention of that organization held in Florida from March 3-7. At the present time he is the Editor for the Neil A. Kjos Music Co. of Chicago.

**MANLEY R. WHITCOMB**

For almost two decades football fans across the nation have been in accord with at least the fact—Ohio State University always has the most outstanding marching band they have ever seen or heard.

This high standard has been maintained as a result of the various directors' ability to combine a broad knowledge of musical interpretation with a vivid imagination in creating pomp and display. No exception to this rule is the band's present top-man, Prof. Manley R. Whitcomb, who directed the marching band to its crowning success in the Rose Bowl, January 2, 1950.

He was born in 1913 at Mellen, Wisconsin and reared there and in Milwaukee. When only 21 years old he graduated from Northwestern University with the bachelor of music education degree. In that year, 1934, he also achieved the high honor of being elected president of the University band.

Prof. Whitcomb then came to Ohio State as a graduate assistant in music. In the summer of 1935 he returned to Northwestern to earn his master's degree and came back to Ohio State that fall as an instructor. He was advanced to assistant professor in 1939 and has held his present title since 1946.

Prof. Whitcomb has worked untiringly with the marching band and the concert band, of which he is also director. He is accredited with taking an important part in the development of Ohio State's extensive band program, initiated by Prof. Eugene J. Weigel, the present chairman of the music department. This program, with an enrollment of more than 300 students, includes the famous 120-piece all-brass marching band, the only one of its kind in the nation, an 80-piece symphonic band, an 80-piece

activities band and a 110-piece R. O. T. C. regimental band.

Prof. Whitcomb became conductor of the marching and concert bands and supervisor of band programs at Ohio State in 1939. He has held these positions continuously since that time, except for two years in the Army during World War II. He is widely known throughout Ohio as an adjudicator and guest conductor, has a national reputation as an authority on marching maneuvers and band drill, and has appeared as speaker and conductor in over twelve states.

He is a member of the American Bandmasters' Association, College Band Directors' National Association, Ohio Music Education Association and Phi Mu Alpha, Phi Kappa Lambda and Kappa Kappa Psi fraternities.

Prof. Whitcomb is married and resides in Columbus.

He is currently on leave from Ohio State to do graduate work at Columbia University.

**JOSEPH E. SKORNICKA**

Joseph Skornicka, B. A. Wisconsin State College, Milwaukee, M. A. Northwestern University, Member of A.B.A., ASCAP, a violinist, played professionally from the age of fourteen, and had a wide musical experience when he entered the Milwaukee State College. Upon graduation he was appointed Director of Music at the Milwaukee Vocational School, the largest school of its kind in the country.

In 1927 he was appointed Supervisor, Bands and Wind Instrument Instruction in the Milwaukee Public Schools, a position which he still holds now, except that his duties have been expanded to include orchestras and the string instruments.

In 1942 he entered the military service and returned to Milwaukee in 1946 with the rank of Major. During the war, he was commandant of the Band Training Center at Camp Crowder, Missouri, Director of Athletics and Recreation at the Headquarters of the 7th Service Command, and finally, Director of Special Services of the same command.

Since his return from the service, he has written many works for band and orchestra and has been active in conducting clinics and festivals all over the country.

He has about a hundred published compositions and books for instrumental study which are used extensively throughout this country and in many foreign countries as well.

At present, he is the conductor of the Milwaukee Civic Band and Assistant Conductor of the Milwaukee Civic Orchestra, as well as Supervisor of Instrumental Music Education in the Milwaukee Public Schools. He is also President of the North Central Music Educators Conference, and member of Board of Directors, American Bandmasters' Association.

# CONTEST SCHEDULE

## IMPORTANT NOTICE TO ALL DIRECTORS

All directors and individuals are requested to follow the schedule as outlined. Much time has been given to working out a schedule suitable for all bands and their soloists. As the schedule will probably gain time during the day you are requested to be ready thirty (30) minutes before your time. Please plan on being at your contest site in plenty of time. Provisions have been made for all soloists and players in ensembles who appear at the First Methodist Church to leave their cases and warm-up in the basement room known as FELLOWSHIP HALL. This is to prevent the usual loitering and visiting in the halls and outside the rooms while the events are in progress.

# About the Bands . . .

## MANATEE COUNTY HIGH SCHOOL BAND

### Bradenton

CHARLES QUARMBY, *Director*

There are three bands at Manatee High this year. Membership in the organizations is determined by a series of auditions and written examinations. These bands are: the Marching Band of 85, the Manatee High Concert Band of 65, and the newly-formed Honor Band composed of 32 members.

The "Hurricane" Marching Band plays and performs on the field for all football games at home and away, and participates in numerous parades throughout Southwest Florida during the winter season.

The Manatee Concert Band plays several concerts during the second semester of school, and participates in District and State Band Festivals sponsored by the Florida Bandmaster's Association. This band was host to the District II Contest in Bradenton this year.

The third band at Manatee High is the "Manatee Honor Band". The public performances by this select group are in great demand by the community and surrounding areas. Membership in this group is limited and provides great incentive for all instrumental students at Manatee High School.

The band officers of the 1952-53 school year are: President, Doris Kretschmar; Senior Rep., Martin Trapp; Junior Rep., Bill Armstrong; Soph. Rep., Rosalind Rice; Secretary, Retha Strickland; Librarian, Louis Vertich.

## WASHINGTON COUNTY HIGH SCHOOL BAND (Chipley)

M. C. THOMPSON, *Director*

The Chipley High School Band is an active musical organization. The band performs for all football games and other community affairs.

Out-of-town engagements this year include: Participation in "Band Day" programs at University of Florida in Gainesville and Florida State University in Tallahassee, the Armistice Parade in DeFuniak Springs, the "National

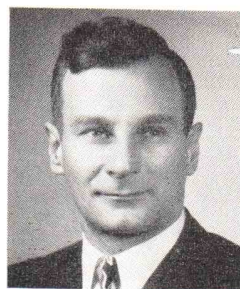

Peanut Festival" in Dothan, Alabama, and the Sixth District Band Festival in Tallahassee.

The Chipley High School Band is the only band in the Sixth District that has participated in the State Contest for the last four years.

Mr. Thompson is completing his eleventh year in the Florida School Band field. Before coming to Florida, he directed school bands in North Carolina for several years. His bands have participated each year in the Band Festivals (excluding the war years when the Festivals were discontinued).

## CLEARWATER HIGH SCHOOL BAND

STEPHEN W. YANETOVICH, *Director*

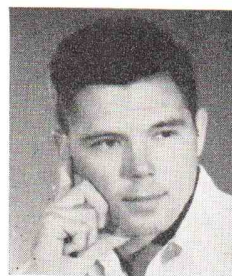

Clearwater Senior High School Band has a long history of outstanding achievements. The band represented the State of Florida in the 1952 National Cherry Blossom Festival in Washington, D. C. The band has participated in numerous local and state functions, such as the Governor's Inaugural Parade, Gasparilla, Festival of States, Sarasota Pageant. In Clearwater the band is a prominent attraction playing many colorful parades, and variety musical shows, as well as participating at all school football games and other athletic events. The band is an important part of the school, community and state activities.

Mr. Rocco Grella was organizer and directed the band for 20 years and retired in 1947. Stephen Yanetovich has been the director of the band for the past six years. The Clearwater High School Band of 123 members and the Clearwater High School Orchestra of 56 members are both under his direction, as is the Elementary Band of 204 members.

## COCOA HIGH SCHOOL BAND

ROBERT ROTH, *Director*

Cocoa High School band has been organized since September, 1947. The same problems all other bands have at the start existed here also: no uniforms, music, equipment, or trained musicians, etc. The growth has been steady and now there are 78 members with uniforms and instruments.

We participate in all school and community activities. The band is particularly proud of its academic standing. Over half of our members are on the honor roll every month. Band members predominate among the membership of the Beta Club and the Honor Society. We have no merit system—no roll is checked—but attendance is very seldom less than 100%.

Bob Roth, the director, served in the Air Forces as a B-17 and B-29 pilot and now holds the reserve commission of Captain in the U.S.A.F.R. He has attended summer schools for the past six years, earning an M. A. degree in biology and administration at Peabody College in Nashville. He was originally graduated from Lake Forest College. At present he is also the assistant principal at Cocoa High School.

Kenneth Dooley, the assistant director, did his undergraduate work in music at Butler. Before coming to Cocoa, he taught for two years in Indiana where his bands were awarded "excellent" ratings.

At the state contest held in Tampa in 1952, the Cocoa High School band received two "superior ratings" and one "excellent." It has consistently been awarded "superior" ratings at the district band festivals.

## About the Bands . . .

### CORAL GABLES SENIOR HIGH SCHOOL BAND

LOGAN O. TURRENTINE, *Director*

Logan Turrentine joined the faculty of the Department of Music at Coral Gables Senior High School the first year of the new school. A graduate of Miami Senior High School, he was in band and was Drum Major for three years. He received his Bachelor of Music Education degree from the University of Miami where he was in the band for four years and was Drum Major for three of the four years. He is a member of Phi Mu Alpha Sinfonia National Music Honorary Fraternity, and Iron Arrow, highest honorary fraternity on the University of Miami Campus.

He organized a school dance band of fifteen pieces and produced the recent North-South Half-time Pageant which received nationwide acclaim for its originality and outstanding performance.

### SEABREEZE HIGH SCHOOL BAND (Daytona Beach)

RAYMOND T. MOELLER, *Director*

Before World War II, the Seabreeze High School Band was skillfully conducted by Bill Heney. Mr. Heney has retired from the music profession.

The Seabreeze Band was reorganized in 1946 by Carl Hulbert. Since that time the band has entered the various district and state contests. The size and playing ability of the band has steadily increased, its present size being over 60.

Seabreeze band students are fortunate in being located within two blocks of famed Peabody Auditorium, the Oceanside Bandshell, not to mention the "World's Most Famous Beach." The band is invited to play on many more occasions than they are able to accept.

The Seabreeze Band Association, a group composed of parents and interested citizens, back the band and its director in a most helpful manner. A skillfully constructed constitution and by-laws help maintain the harmonious atmosphere enjoyed by the band members and its director.

Mr. Moeller came to Seabreeze in 1952. From a sound fundamental beginning under the late P. J. Gustat, Mr. Moeller entered Stetson University, playing first oboe in both the band and orchestra. Formal education was interrupted by a tour of duty with the U. S. Navy. After graduation from the U. S. Navy School of Music in Washington, D. C., Mr. Moeller served for 19 months as first oboe with the U. S. Navy Academy Band at Annapolis, Maryland. At the close of his enlistment, Mr. Moeller was invited to join the famed U. S. Navy Band in Washington, D. C., by Commander Charles Brendler. The moment to choose whether to be a professional musician or to continue training for teaching young people was at hand.

Mr. Moeller received his Bachelor of Music degree

from Stetson University in 1950. Graduate work was interrupted to accept the position as director of band and orchestra at North Fulton High School (Class "A"), Atlanta, Georgia.

Mr. Moeller played two years with the Central Florida Symphony, and is currently engaged for the fifth season as oboist with the Daytona Beach Municipal Band.

### MAINLAND HIGH SCHOOL BAND (Daytona Beach)

WILLIAM J. BENTON, *Director*

The Mainland High School Band of Daytona Beach was organized in 1937 and has been under its present director since 1941. The steady growth of the band during the past few years may be attributed to the help and encouragement given the band by the Supervising Principal of the Daytona Beach Mainland Schools, Mr. William B. Treloar; the progressive Volusia County Board of Public Instruction, and the Mainland High School Band and Orchestra Parents Association.

William J. Benton, the director of the Mainland Band, is a graduate of Mercer University of Macon, and holds bachelor of arts and master of arts degrees from that institution. He has served as Chairman of District 4 of the Florida Bandmasters Association, Vice President of the Florida Orchestra Association, and is now President of the Florida Orchestra Association.

The Mainland Band is very active in its own community and is much in demand for parades and concerts in the eastern and central parts of Florida. It participated in the 1951 State Contest in St. Petersburg and the 1952 State Contest in Tampa last year. It is composed of both senior and junior high school students and is competing in Class BB.

### CORAL GABLES SENIOR HIGH SCHOOL ORCHESTRA

PAUL CREMASCHI, *Director*

Prior to entering the public school music teaching field, Mr. Cremaschi played in and directed professional orchestras and bands. He received his bachelor of science and master of arts degrees from New York University.

In 1945 he took up his duties as Director of Music at Ponce de Leon High School in Coral Gables and moved over to Coral Gables Senior High School in 1950.

Mr. Cremaschi has held numerous committee offices in state music organizations. Among others—secretary of Florida Orchestra Association, 1950-51; president of Florida Orchestra Association, 1951-52; and chairman District 1, Florida Bandmasters Association, 1951-52.

Quoting Mr. Cremaschi, "There are many factors that contribute toward a successful instrumental music department in a large modern high school. We in Coral Gables in addition to having a splendid student body to work with, enjoy the wholehearted cooperation of a wonderful Band Patrons Association. Our county school administration through the erection of modern music buildings and annual money allotments has done much to make our county set-up outstanding not only in the State of Florida but in the nation as well."

## About the Bands . . .

### DELRAY BEACH HIGH SCHOOL BAND

RAY DeMARIS, *Director*

The Seacrest High School Band, in addition to playing its own school concerts, football games, Fishing Queen Contest and Easter Sunrise Service, marches in the Orange Bowl Parade, Gladiola Festival Parade, Fiesta Del Sol Parade, and plays for civic events in Boca Raton, Delray Beach and Boynton Beach.

This is the Band's first year to enter Class B competition.

Ray DeMaris, Director, B. S. M. Drake University, Graduate work at the University of Southern California. Before coming to Delray Beach he taught Instrumental Music for sixteen years in the Public Schools of Birmingham, Alabama, two and a half years at Birmingham Southern College, and one year in the Public Schools of Fullerton, California.

### FORT LAUDERDALE HIGH SCHOOL BAND

HARRY F. McCOMB, *Director*

The Fort Lauderdale High School Band, directed by Harry F. McComb does for its school and community what any good school band should do: entertains the football fans with snappy, costumed half-time shows, provides stirring music for parades, participates in programs of civic and industrial nature, entertains the student body at school assemblies, and presents more serious concerts for music lovers.

During the past year the concert band, the marching band, the majorette corps, the dance orchestra and solo and ensemble groups have provided a total of 125 musical programs for the school and community.

Running concurrently with these activities is a continuous and progressive program of musical education and advancement for each of the band members. Evidence of the uniformly high degree of musical proficiency obtained by Fort Lauderdale High band students is to be found in the number of college and school of music scholarships awarded to "Flying 'L'" band graduates.

Since 1938 the Fort Lauderdale High School Band has consistently received top ratings in district and state contests.

Band director, Harry F. McComb, holds an A. B. degree in music education from the University of Miami and a M. A. degree in school administration, guidance, and supervision from the University of Michigan. He is a Kiwanian, past-president of the Florida Bandmasters Association, member of University of Miami Summer Band Camp faculty, member of the American Bandmasters Association, and president-elect of the Florida Music Educators Association.

### SOUTH BROWARD HIGH SCHOOL BAND (Hollywood)

DAVID W. SHEPPARD, *Director*

The South Broward High School Band was organized by the Rotary Club in 1947 as a group for under-privileged children. In 1949 it became affiliated with the school system and is now considered one of South Broward's outstanding organizations.

In 1952 a feeder program was organized in the elementary grades and the High School Musicians were separated into two

groups—Junior and Senior Bands.

The Band Patrons Association, which is active in guiding and financing the Band, purchased new uniforms for the Senior Band in December of 1951.

The Broward Band and Majorettes participate in the usual school activities; civic programs and parades; and presents a series of concerts each year at the New Band Shell in Hollywood.

This year, for the first time, the Band and Majorette Corps (along with one French Horn Solo) entered the district contest and were awarded First Divisions in all phases.

David W. Sheppard, Director of the South Broward Band, received his A. B. Degree at Erskine College, and M. A. Degree at Columbia University, New York City. Two and a half years additional study was devoted to music and music education at Converse College.

Mr. Sheppard was awarded the honor of "Best Male Musician" at Erskine in 1939; directed his own dance band four years; played in college orchestras, bands and civic symphony for several years.

In State and District competitions, his groups and solos have averaged better than ninety per cent First division ratings; and in 1951, the Spartanburg High School Band, under his direction, was selected to replace the All-State Band at the State Teachers Meeting.

Mr. Sheppard left his position as Senior Music Director in the Spartanburg City Schools to take over the South Broward High School Band in September, 1951.

### HAINES CITY HIGH SCHOOL BAND

A. L. RINE, *Director*

The Haines City High School Band, under the direction of Mr. A. L. Rine for the seventh year, has become a prominent part of the school and community life of Haines City. It plays at all the football games, gives a series of concerts during the football season, goes as an organization or sends various members to entertain the tourists and club groups, and plays an important part at the

Easter Sunrise Service. The band appeared at the District Contest and the State Contest in 1952, and was awarded a final rating of "Superior" at both appearances.

Mr. A. L. Rine, the director, is a four year graduate of the University of Tampa. He has studied also at the University of Florida and Florida State University. He was band director in Sumter County prior to coming to Haines City.

## About the Bands . . .

### ANDREW JACKSON SENIOR HIGH SCHOOL BAND (Jacksonville)

PHILIP B. SPEER, *Director*

The Andrew Jackson Band was organized in September, 1945 under the direction of the late Milton B. Weary, and since that time has performed for all home football games and several out of town games. It has also appeared in numerous parades, civic affairs, radio broadcasts, and each year participates in the annual Kiwanis Charity game and the New Years Day Gator Bowl Game.

The band was first associated with the State program by appearing at the District Contest in St. Augustine, March 1947, and at the State Festival in Miami the same year. It has entered the contest each year since that time.

The Jackson band department initiated a new educational program for its band members at the beginning of the '52-'53 term by inaugurating a complete and full sophomore band with majorettes as a complete and separate unit in parades, concert, at football games, and appearing in district contest as a class A Band. The Senior Band is composed of juniors and seniors with a few outstanding sophomores to round out the instrumentation. This band is in class AA.

Philip B. Speer, director of the Jackson Bands, graduated from Mansfield State Teachers College, Mansfield, Pennsylvania in 1940 with a Bachelor of Science degree in Music Education, and taught in the public schools in Pennsylvania before serving in the Air Corps. He is now in the process of earning his Master degree from F. S. U. at Tallahassee, Fla.

Mr. Speer accepted the position of bandmaster at Kirby-Smith Junior High School in Jacksonville in December, 1947 and remained in that position until January, 1952, at which time he accepted the position of bandmaster at Andrew Jackson High School.

### LAKE WORTH HIGH SCHOOL BAND

JOE LUSK, *Director*

The Lake Worth High School Band under the direction of Mr. Joe Lusk is the pride of the community. Annually the band presents a series of concerts for the City and cooperates with civic and patriotic groups for special programs. The Trojan Band also participates in a full schedule of activities throughout the year. At football games both at home and away they present attractive and

entertaining shows. For a number of years the band has played for the Orange Bowl Parade, as well as the Fiesta del Sol and the Gladiola Festival.

Their dancing majorettes have attracted considerable attention with their half-time presentations and their tricky parade maneuvers. Twelve in number, the girls can do anything from military marching to boogie-woogie.

This year the band is one of the first in the state to add a complete section of Altoniums and Tromboniums to the Marching Unit.

A program has been undertaken by the Board of Edu-

cation to improve housing facilities of the band. Already acoustical treatment for ceiling and walls has been completed and permanent platform risers have been installed in the band room. Plans call for building of practice rooms and additional storage space.

Through the efforts of Mr. Lusk and the cooperation of the school administration and the community, in five years, the band has grown from thirty pieces to a concert band of seventy and a marching unit of eighty-four. For the last two years the band entered State Competition and received Superior rating on concert, marching, and sight reading.

Joe Lusk, the director of the Lake Worth High School Band, assumed that position five years ago. He is a graduate of Marshall College, where he received his A.B. and M.A. degrees. He played in the percussion section of the College Symphony and the concert band. Graduate work was done by him at the University of Michigan School of Music. For several years he was a member of the Huntington Symphony Orchestra.

Mr. Lusk is at present Chairman of District 1, Florida Bandmasters Association.

### MIAMI EDISON SENIOR HIGH SCHOOL BAND

HARRY K. CARNEY, *Director*

The Miami Edison High School Band is twenty-two years old. Beginning in 1931, it was composed of eight members. Rehearsals were held after school under the direction of Mr. Fred W. McCall, Jr., now the director of the University of Miami Band. The growth of the Miami Edison High School Band parallels the growth of the high school band movement in the State of Florida.

The band first entered competition in 1934 at West Palm Beach. Its contest record over a period of twenty years is an enviable one. Few musical organizations can show a finer contest record.

The present uniform was established in the year 1938. This year, the entire concert band has been equipped with new uniforms. Each band member has two coats and three pairs of trousers.

The physical equipment of the band room is second to none. The new band building was built in 1950. The building consists of a large rehearsal hall, three practice studios, a director's office, storage room and a modern library. Several fine new instruments have recently been purchased. The instrumentation of the band includes a contra bass clarinet, celeste, alto flute and an english horn.

Two years ago Mr. Harry K. Carney became Director of Instrumental Music at Miami Edison High School. His previous experience included two years as bandmaster at Edison Junior High School, three years as Vocal Music Director at Miami Jackson High School, and nine years of teaching in the public schools of New York State. ### LANDON HIGH SCHOOL ORCHESTRA

#### Jacksonville

JOSEF OSZUSCIK, *Director*

The present Landon Orchestra was re-organized by Mr. Oszuscik when he joined the school faculty last September 1952. The string program is now a part of the regular instrumental music program. Edwin T. Cook, band director was instrumental in making a preparatory survey of string players during the Spring term of 1952.

Prospects for the future of the Orchestra at Landon High School are very good since Jacksonville has a unique trust fund created by Mary L'Engle. This fund subsidizes the entire stringed instrument program in the schools by furnishing necessary instruments to students, music, and other necessary equipment needed in the development of orchestras.

Landon High School did not have an organized orchestra for a number of years. A State "first place" plaque rests in the school trophy case for the year 1937 indicating that at one time an orchestra existed.

Josef Oszuscik, director of Landon High School Orchestra, assumed this position in September, 1952. Prior to entering public school teaching he was clarinetist with the Indianapolis Symphony, the Chicago Civic Symphony, Gary (Ind.) Philharmonic, summer Concert Bands in the Chicago Area, and played many theater and radio engagements. Until 1937, he travelled extensively with musical organizations booking out of Chicago. His playing experience permitted him to play under the direction of many eminent conductors.

He received his under-graduate (B. M.) degree from Vandercook College of Music (Chicago) in 1939 majoring in instrumental music education, theory, and woodwind instruments, and minored in psychology, strings, brass and percussions. His Master of Music degree was earned at Northwestern University (Evanston) in 1949 majoring in music education and minoring in theory and clarinet. His additional college training was accomplished at DePauw University, Indiana University, Mississippi Southern College, and Univ. of Florida Extension.

He taught at Emerson High School, (Gary, Ind., 1935-39), woodwind clinician at Hardin-Simmons University (Abilene, Texas), and at West Texas State Teachers College, (Canyon, Texas), Director of Instrumental Music in Hattiesburg, Miss. public schools, (1939-48); Director of Music at Walton County High School in DeFuniak Springs, Florida (1948-52). While in Hattiesburg, Miss., he also taught at Miss. Southern College.

Participating actively in his profession, he is a Life Member of M. E. N. C.—serving three times on national MENC committees—(Patriotic Music, 1944-46); (Contemporary Music, 1946-49); and (Music Education in

the Community, presently). Chairman of State Contemporary Music Committee. He is a member of American Musicological Society, Phi Mu Alpha Sinfonia, a member of Jacksonville Symphony Orchestra, a contributor of articles to various professional magazines, and is listed in "Who Is Who In Music".

Under Miss Beals' guidance, the band has performed at numerous functions and activities. The band usually numbers from 50 to 60 each year and is one of the prides of Kissimmee. When Miss Beals retired, Bud Campbell, a graduate of Florida Southern College and Northwestern University, came to Osceola High to assume the directorship of the band. The "Kowboy" band has recently added western type uniforms to its organization to conform with Kissimmee which is known as the "Cow Capitol of Florida." ### BOONE HIGH SCHOOL BAND

#### Orlando

C. W. RUMPF, *Director*

This is Boone High School's first year and this is its first band. Although eligible to participate in Class D according to Florida Bandmaster Association rules it was considered advisable to participate as an A band and play the more advanced music of that classification.

The members of our band are proud to wear the colors of what was for some their former Alma

Mater: Orlando Senior High School. When that fine school ceased to exist, two new schools came into being: Edgewater at the north end of town, and Boone at the south.

The Boone High School Band, besides presenting half-time shows at all home football games and at some of the out-of-town ones was a featured band at the annual Tangerine Bowl Game on New Year's Day. A long list of annual parades such as the Christmas Parade, Tan-

gerine Bowl Parade, Armistice Day Parade and many others keep the band literally on its toes. Here, as in the case of the football shows the band is ably assisted by its lovely high stepping majorettes.

Participation in school concerts, a series of park concerts, and the annual clinic and contest presented under the auspices of the Florida Bandmasters Association, rank high among the many activities of the band.
