# Greetings...

## TO PARTICIPANTS IN THE 19th ANNUAL STATE BAND FESTIVAL

It is my pleasure, as Mayor of the City of Tampa, to welcome band members from throughout the state who are in our city for the 19th Annual State Band Festival.

I am sure you will enjoy your stay in Tampa, and that the facilities available for your enjoyment will provide you with a visit you will long remember.

We will be happy to have you return to Tampa for any future festivals, or as individual visitors.

Sincerely,  
NICK NUCCIO  
Mayor  
City of Tampa

## GREETINGS

The Hillsborough County Board of Public Instruction has long felt that music has a most important part in the school curriculum. Not only do music programs provide many worthwhile activities for our young people; music instruction helps make our students well-rounded adults.

It is a great pleasure for me to extend this welcome to you, in behalf of the Board of Public Instruction to the 19th Annual State Band Festival. We are proud that you have chosen Middleton High School as you host school this year.

BEN HILL, Jr., Chairman  
Board of Public Instruction  
Hillsborough County

## GREETINGS

It is with great pleasure that I welcome you, in the name of the Hillsborough County Public School System, to our county and, more specifically, to Middleton High School. I know that you are going to enjoy being in Tampa, a city rich in musical tradition.

Music is truly an international language. It recognizes no barriers, real or imaginary. It speaks so that all may understand if they but listen.

I think it is quite fitting that Tampa, a truly international city, should be the locale for the Florida State Band Festival.

J. CROCKETT FARNELL

Superintendent of Public Instruction  
Hillsborough County

## GREETINGS

It is a pleasure to welcome you to the Cigar City for your Annual Florida State Band Festival.

At a time when such great technological and social advances are being made in our way of life, it is very fitting that they be accompanied by activities of a cultural nature. We believe that such activities have a definite place in education and do much to relieve some of the tensions under which we live today.

In this, the Space Age, as in every other age, people will have inner lives to live. It is through such media as music that they will become more occupied with artistic ideals and, thus, more competent at developing that inner sense of well-being that is so vital to a contented life.

My congratulations to all of the band directors in our schools who have worked so hard to make this event possible.

Again, I extend greetings and my sincere wishes for a successful festival. May you have many more.

G. V. STEWART

Administrative Assistant

Hillsborough County Public Schools

|  
\*

# Welcome...

It is a pleasure to extend a cordial welcome to the 19th Annual State Band Festival on behalf of the Middleton High School Family. Certainly this occasion is an outstanding cultural event for our community as well as a rich and rewarding experience to the many young people who are participating in the performances.

We hope that your stay in Tampa will be enjoyable and profitable.

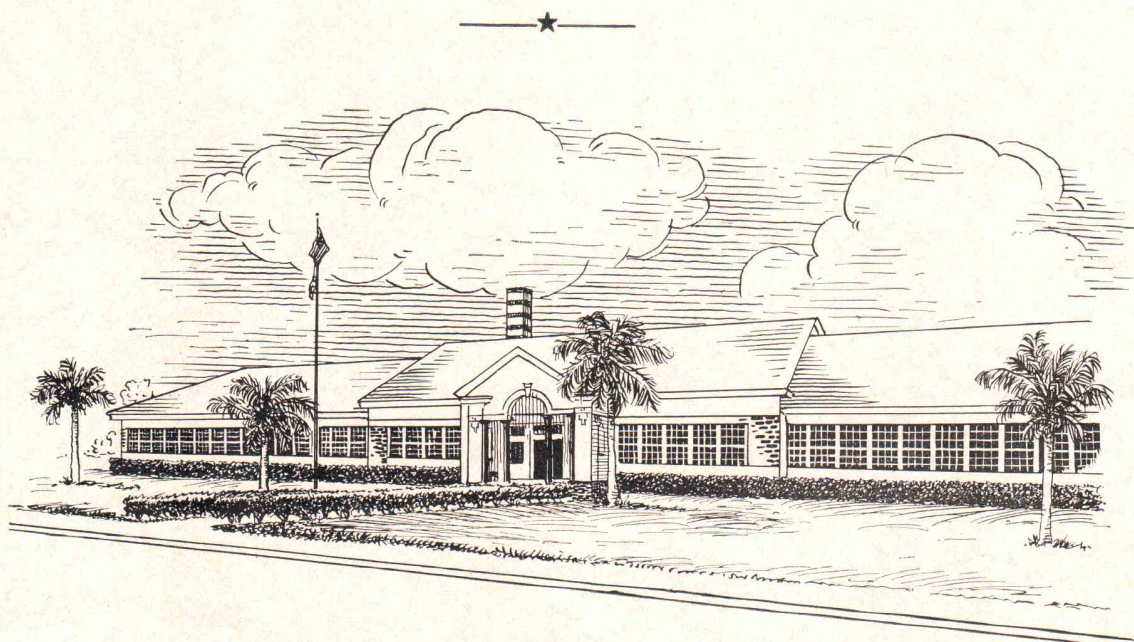

We stand ready to do everything possible to facilitate the program in every respect.

Sincerely,

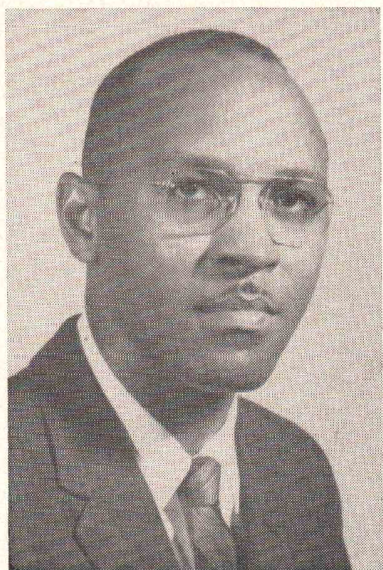

*A. J. Ferrell*

*Principal*

Middleton High School

## GREETINGS

Welcome to the 19th Annual South State Band Festival. You are to be commended for your performance at the district festivals.

This year marks the beginning of a new era in music education in the State of Florida. As students of music in this dynamic age, you must exert every effort to meet national standards and to attain higher goals.

We, as directors, also face challenges which require serious and consistent effort.

Let's put our "shoulders to the wheel" so that together we may reach wider horizons in music education.

JAMES W. WILSON

President

Florida Association of Band Directors

## THE STATE SCHOOL BAND COMPETITION

The primary purpose of the school music competition is to serve as a factor in the educational program through the direct values, the inspiration, examples and incentives, afforded the young people and their teachers and directors. Therefore, adjudication of participants is regarded as a means for evaluating the progress and musical status of the group or individual rather than merely comparing with other participants to secure an expert opinion of which is best, which is second best, and so on.

This has been made possible by abandoning the ranking or place method of adjudication in favor of the present widely used rating plan, adopted by the National Board Association some years ago.

Bands participating in District IV are classified according to the total enrollment of the school represented and the age of the band. Adjudication against a standard, as determined by competent judges, in each class, determines the accomplishment of the organization or individual.

Depending upon the rating received in each division of competition, bands are placed in one of five divisions: Superior, Excellent, Good, Average, and Below average.

In addition, the judges, of each band or individual competing, will make constructive criticisms and helpful suggestions for improvement.

# ADJUDICATORS

## WILLIAM P. FOSTER

Scholar, author, leader, musician, William P. Foster indeed approximates **uomo universale**. Trained at Kansas (B. A.), Wayne State (M. A.), and Columbia (Ed. D.) Universities, Dr. Foster is known on both sides of the Atlantic. Apart from the kudos provoked by his publications in such journals as **Sigmund Spaeth's Book**, **The Instrumentalist Magazine**, **School Musicians Magazine**, and **Music and Dance in the Southeastern States**, Dr. Foster also bestrides the celebrated pages of **Who's Who in Music** (1955-56), of **Who's Who in Southeastern Music** (1955-56), and of **Who's Who in Education** (Seventeenth Edition, 1955). Moreover, in 1959, alone, Dr. Foster received both Florida A. and M. University's Outstanding Achievement and Outstanding Service Awards, only to receive the following year (1960) the coveted Florida State Music Educators Association Award. More recently, he and "The Marching 100" (the appellation suggests the soldierly orderliness superimposed upon rapidity and musical accuracy of Florida A. and M. University's marching band) have been televised nationally during invitational half-time performances at professional football games both in Miami (1963) and in Cleveland (1964).

Among Dr. Foster's almost incalculable organizational affiliations are American Bandmasters Association, College Band Directors National Association,

tion (of which Dr. Foster is Florida State Chairman), Phi Mu Alpha Sinfonia Fraternity, American Musicological Society, Music Educators National Conference, Masonic Lodge, Alpha Phi Alpha Fraternity, Florida State Music Educators Association (of which Dr. Foster is Vice-President), Phi Delta Kappa, and National Education Association.

Presently, Dr. Foster is Chairman and Professor of Music in Florida A. and M. University, Tallahassee, Florida.

## RICHARD M. FEASEL

Richard M. Feasel has been a member of the faculty of the Stetson University School of Music since 1946, teaching woodwinds and theory. He also conducts the University Band and Woodwind Ensembles. He holds the degrees, Bachelor of Music and Master of Arts, has studied conducting with Pierre Monteux, and theory and composition with Nadia Boulanger in Paris.

Mr. Feasel is a past president of the Florida Composers League, of the DeLand Civic Music Association, and has served as chairman of the National Inter-Scholastic Activities Commission. He has served as a consultant on the Ford Foundation Young Composers Project, and also on a number of projects involving acoustics and physics of sound. He is a composer whose works receive an increasing number of performances each year, and he has served widely as a guest conductor and adjudicator for music festivals.

He is a member of the American Bandmasters Association, the Florida and National Music Educators Associations, the College Band Directors National Association, and of Kappa Kappa Psi, Kappa Delta Pi and Omicron Delta Kappa.

## MAJOR J. B. O'NEAL

Director of Band and Orchestras for 18 years at Dan McCarty Senior High School at Fort Pierce. Was Supervisor of Instrumental Music for St. Lucie County Public School System.

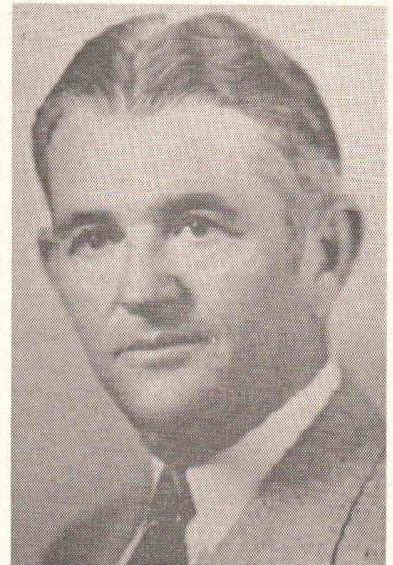

Graduate of Conn National School of Music. Studied extensively with such educators as H. A. Vandercook, Frederick Neil Ennis and Dr. Edwin C. Barnes.

Was Cornet Soloist of the 116th Field Artillery Band and Director of the Second Regiment Band, National Guard of Alabama.

Employed for several years as recording artist with both Victor and Columbia as member of the famous Warners Band.

Past President of Florida Bandmasters Association, member American School Band Directors Association and National Music Fraternity, Kappa Kappa Psi.

Has served widely as adjudicator of district and state contests.

## RICHARD W. BOWLES

Director of Bands, University of Florida  
Gainesville, Florida

Richard W. Bowles, composer, clinician, and author, became Director of Bands at the University of Florida in 1961. His more than twenty published titles include the concert march, "Burst of Flame," now in its sixth edition and listed among

the "World's 100 Most Popular Marches" by the Instrumentalist Magazine.

Prior to his joining the Gator Band staff in 1958, Bowles was for 12 years a highly successful band director and music supervisor in the schools of Indiana. His Broncho Band from Lafayette, Indiana, was the featured band in the Orange Bowl Musical Spinwheel in January of 1956. He is a former president of the Indiana School Music Association.

Bowles received his undergraduate training at Indiana University, where he studied composition with Robert Sanders. His graduate work at the University of Wisconsin, where he received the Master of Science Degree in 1950, included study in musical composition with Cecil Burleigh. He is also a graduate of the Army Music School, and was for more than three years the Bandleader of the 715th Army Air Forces Band, during World War II.

Bowles is a member of ASCAP, is on the Board of Directors of the National Band Association, and edits the "Counterpoint" column of the Instrumentalist Magazine. He is an Associate Professor at the University Lecture Series Committee. He is at the University, and is chairman of the University Lecture Series Committee. He is a member of the American Bandmasters Association.

## OTTO J. KRAUSHAAR

Mr. Kraushaar is a graduate of Howe Military School, Howe, Indiana; Sherwood Music School in Chicago; with graduate work at the University of Wisconsin and the University of Iowa. He served on the Flagship U.S.S. Pennsylvania during World War I, was bassoonist with the Canadian Kilties Band, Chicago Concert Band, and with the Elkhart, Indiana; Fort Wayne, Indiana, and Kalamazoo, Michigan Symphony Orchestras; was bassoonist with the Sousa Band for four years; was director of instrumental music in the LaGrange County, Indiana public schools for

seven years, director of music in the Waupun, Wisconsin public schools for seven years; Sales Manager of the Chromatic Stroboscope Division of the C. G. Conn Co., Elkhart, Indiana for four years; director of Music in the Lake Wales, Florida public schools for thirteen years; director of bands at the summer music camp at Florida State University for ten summers; has been director of bands at the summer music camp at the University for the past ten summers. He went to Miami High School as director of music in 1954 and remained in this position for six years. He retired from active high school work in 1959 and is now on the Music Faculty of the University of Miami.

Mr. Kraushaar was Secretary-Treasurer of the National School Orchestra Association for four years; Secretary-Treasurer of the Florida Bandmasters Association one year; President of the Florida Music Educators Association for four years; Vice-President of the Southern Division Music Educators National Conference two years and a member of its Board of Directors six years; has been Vice-President and President of the Florida Bandmasters Association.

Mr. Kraushaar was elected President of the American Bandmasters Association at its annual convention at Long Beach, California in March 1961. On December 30, 1961 on a National Telecast of the Blue-Gray Football game in Montgomery, Alabama he received the "MAC" award for his effective efforts in maintaining the high ideals, music standards, and professional leadership in the Music Education Field of America.

# CARVER HIGH SCHOOL BAND

Delray Beach, Florida

CARL WESLEY, Director

CLASSIFICATION — B

The Carver High School Band may be well termed a valuable asset to the surroundings community as well as the Carver High School Family.

The band was organized in 1951 under Hezekiah Brown. In 1958 its present-day director, Mr. Carl Wesley, filled his position.

With its beginning the band has worked hard and deservingly established a good name for itself.

For the past seven (7) years the band has participated in the State Band Festival. This year as in the past it will again strive to partake in this yearly event.

# JEWETT HIGH SCHOOL BAND

MR. JOHNNY B. NEAL, Director

Winter Haven, Florida

CLASSIFICATION — B

Because of an anxious desire to have instrumental music introduced in the curriculum of Jewett High School, the principal, Mr. Canary Robinson secured the services of Mr. Neal D. Bland as bandmaster in September, 1951. Mr. Bland organized a drum and bugle corps which was the nucleus of the present school band organization.

During the school term 1952-53, the school band membership increased to twenty-eight. This was due particularly to the fact that a number of instruments had been donated to the school and that the school had purchased additional ones.

Under the directorship of Mrs. Monique Simpson, the band made commendable progress. It was during the school term 1952-53 that the band gave its first band clinic (as a spectator).

Mr. Johnny B. Neal became bandmaster in September, 1953, and under his leadership, the band roster numbered forty-five during the school term. As a tribute to the fine spirit and achievements of the band, the citizens and school community combined their financial efforts and purchased uniforms for its members.

# BLANCHE ELY HIGH SCHOOL

Pompano Beach, Florida  
MR. DAVID WRIGHT, Director  
Classification BB

## HISTORY

The Blanche Ely High School Band had its initial beginning the academic year of 1952-53 under the leadership of Mr. David Wright.

Since its inception, the band has been a boost to the school and surrounding communities.

Through the untiring efforts of our Administration the band was able to secure instruments through the School Board.

Filled to the maximum with energy, vitality and youth, the members of our band take great pride in participating in parades, half-time pageants, band concerts, civic and community affairs.

## BAND ROSTER

### Flutes

Marian Clark  
Bobby Lee

### Clarinets

## A LOOK BACKWARD

When a handful of band directors met with L. A. Kirksey at Florida A. and M. University, in 1941, they could hardly have envisioned the depth and breadth of the organization which ultimately followed.

The Florida Association of Band Directors, and the festivals attendant, were the outgrowth of a need for organized instrumental music in the high schools of Florida. Prior to this organization, colleges were obliged to engage in initial training since there was no formal program to serve as a feeder system.

In an effort to coordinate instrumental instruction and to fortify the programs, Mr. Kirksey, as band director of Florida A. and M. University, contacted the newly employed band teachers in the state. Among them were: the late Guy Glover, Raymond Sheppard, George Hill, and Alvin Downing. These directors and their newly formed bands, along with Captain Frank Drye, clinician and guest conductor of Tuskegee Institute, initiated the first Band Festival program held at Florida A. and M. University in 1941.

Unfortunately, shortly after the organization, the Annual Festival Program and area clinics were forced to suspend activity due to World War II. In 1947, after the war, Mr. L. A. Kirksey, who had transferred to Roosevelt High School of West Palm Beach, gathered together the shreds of the organization and revived the festival movement.

The high school bands of Florida have grown from three to seventy-five with regularly employed directors. The Florida Association of Band Directors still sponsors festivals and the spark it has given music education through area clinics and the annual state conference is by far its most vital contribution to music education. These successful years are the real monuments of the musicians whose visions initiated the first festival twenty-four years ago.
