Cindy Balistreri commented on legislative session:

1. Trying very hard to prevent the middle school credit in PE. Elementary PE was passed last year despite our efforts. When you see an email re: Middle School PE credit it is vital to have parents to respond. We must mobilize to prevent destruction of our middle school feeder programs.

2. High School Fine Arts credit- we must work to keep this. When you see an email requesting action to respond to legislature, please have parents voice their opinion. You are encouraged to start personal email campaigns (from home email NOT school).

If each of us get 4-5 people to respond to advocacy issues that is HUGE! We must do better in this area.
