Unfinished Business:

Thanks to Sue Mills for her work in trying to get Sony to donate recording equipment to our district for use at all state tryouts. We do not currently have on file with the state the correct paperwork for Sony to donate to us. We will keep checking into for the future.

New Business:

S&E will be at Lehigh Senior High School on February 21 & 22. Jazz is 2/21 and guard/auxiliaries 2/22.

High School Concert will be held at North Ft. Myers High School on March 14 & 15. Look for information from Phil concerning a map of the school and any other **pertinent**

information, i.e. recordings, etc. We will be doing the pilot program at this MPA. American Music has graciously donated enough money to the district for us to afford three clinicians. Therefore the procedure will be as follows:

The band will perform on stage with the clinician listening in the audience to the performance. The clinician will then follow the band to sight-reading and continue to observe. After sight-reading the band and clinician will go to a third room to have a “clinic session” with the clinician. If you have any questions concerning this program, forward them to the district chairperson.

Middle School Concert will be held at Cypress Lake High School on April 10 & 11. Look for information to be forthcoming from Jan Hessney concerning maps and any other pertinent information. Titles are due the district chairperson by March 14.

LReaney/Kraus: that any high schools performing at middle school MPA be scheduled at the end of Friday evening. PASSED

Just for your information, our photography contract is over this spring. Bill will be checking into possibilities for next year. He will report to us at the next district meeting.

2/20 & 21/2004	Solo & Ensemble/Jazz
3/12 & 13/2004	High School Concert

PASSED

Middle School dates were tabled until all county calendars have been approved.

Nominations for adjudicators list:

None

Nominations for clinicians for all state bands:

Linda Reaney for the 7 & 8 Honor Band

Proposals to the Executive Board:

Hance/Dubbert: the all-state band audition process creates separate audition materials for Bass Trombone for all bands. PASSED

Rationale:

The technique and range is different enough from the Tenor Trombone to warrant it's own category, i.e. bass clarinet and clarinet.
